Ana Kelly is a Pacific Northwest native who holds her family close. Patriotism and military service are something that she holds near and dear to her heart as her father, uncle and husband have all served. She loves baking cookies, cupcakes and her famous banana bread with her daughters Lucy and Kennedy. She is active and enjoys boot camp, snowboarding and walking with the family pug, "Geno" around Green Lake. She also loves football, especially when the Cougs win! She is a WSU Graduate.

#### **About Tom:**

Born in Seattle and raised nearby. YMCA basketball and swim team at the neighborhood pool growing up. Friends invited me to Miracle Ranch (CRISTA) Camp in Jr High. I met Jesus there.

Gave radio a try in college and never looked back. Early jobs in Spokane and Portland before coming to work at CRISTA Media in 1993.

My wife and I are raising two "nearly-twin" daughters, who are 18 months apart.

I still like to shoot baskets at the Y; I enjoy cappuccinos, fish and chips, barbeques, car shows, family time at home and anywhere else, the smell of a campfire on a saltwater beach, views of our epic mountain ranges, and working in the yard.
